Chief Guest	Mr. Srihari M, Scrum Lead, SAP Labs India,
No. of Participants	130

1. A pre-internship talk for third year students titled “Building a Legacy, Not Just a Resume” was organized by the Department of CSE and IEI at PSG Institute of Technology and Applied Research. The session began with a welcome address by Vigneswari V, Chairperson-IEI(CSE).

2. The session was delivered by Srihari M, Scrum Lead at SAP Labs India, who shared insights about preparing for internships, developing industry-relevant skills, and building a meaningful career beyond just maintaining a resume. The speaker also emphasized the importance of continuous learning, teamwork, and real-world problem solving for students entering the professional world.

3. The talk provided valuable guidance to third year students regarding internship preparation and career development, making the session highly informative and engaging.
