

# **ASSOCIATION**

The department of ECE comprises of dynamic and vibrant students who organize many activities, such as Guest Lectures by Industry Experts, Workshops, Project Exhibitions and Quiz Competitions for the benefit of student community. These events are planned and conducted by the Electronics and Communication Engineering Association (ECEA).

## **Inaugural function of ECE Association for the Academic year 2018-2019**

An inaugural ceremony for the ECE association (ECA) was held on 5th September 2018. It started with invocation followed by welcome address by T.T.Kowsalya, Secretary ECA. The presidential address was given by Dr.E.Malar, HOD/ECE. Then installation of office bearers was done in the presence of all the dignitaries, faculty members and students of ECE Department. The plan of activities for the academic year 2018-19 was given by Nishanth Sanjeevi, President/ECA. The program was followed by enlightening the students with “Purpose and Role of ECE Students In Future” by the chief guest Mr.Kanagaraj, General Manager, Pricol Coporate Services Limited. The role of automation was emphasized in his inspiring speech. Then prize distribution was done to appreciate the successful projects done by the students.

**Members of ECA association**

The program marked its conclusion with the vote of thanks by U Hareesh, Vice President/ECA.
