

PSG iTech Alumni Association

Fourth Alumni Meet Report

The **Fourth Alumni Meet** was conducted on **14th October 2022 (Friday)** from **5:30 pm to 7:30 pm** at the **E6-Block Mechanical seminar hall**. There are 120 alumni from various batches, and their parents attended this meeting.

Chief Guest for this event was **Mr. K Veluswami, CEO, Marks Engineering Works, Coimbatore**, Heads of Departments, and faculty members were also present.

The event started with a prayer song by Ms. K B Mirudhulaa (III-EEE). **Principal, Dr. Chandramohan** welcomed the gathering. He mentioned that PSG iTech had secured a NIRF rank of 124 in 2022 among the 6000-plus institutions in India and an AU Rank of 5 among the 490-plus engineering colleges in Tamilnadu. He also stated that PSG iTech has 17 startups. He encouraged the alumni to connect with each other to share their knowledge. **Mr. Bharath Arun (2014-18 Batch EEE), and Joint-Secretary, PSG iTech Alumni Association**, gave the Chief guest introduction.

The chief guest, Mr. K Veluswami, an alumnus of PSG College of Technology, said that we all came to this college as seeds, made us into a tree, and we should take the branches wherever we go. He analogously referred to the salt and sugar in the water as homogeneous to the PSG water of diversity of freshers. He appreciated the PSG Management for the construction of the auditorium, which has become one of the landmarks of Coimbatore. He also agreed with our principal on the importance of connection

with alumni after graduation. He proudly mentioned that he was the first graduate in his village. He stated that Coimbatore has many small-scale startups and entrepreneurs, and 60% of the rocket parts are made in Coimbatore. He spoke about his career, from working in a company to becoming the CEO of his own company. He told us to take a risk by comparing it with the lives of Elon Musk, Jack Ma, Falguni Nayar, and Bill Gates. He quoted, "**Opportunities come without return letters**" and "**Today's technology is tomorrow's history**." He mentioned the PSG Tech Step for new startups that will help our alumni become entrepreneurs.

Secretary Dr. P V Mohanram encouraged the alumni to go for tours for more social interactions. And he quoted, "**Understanding subjects is more important than marks,**" and highlighted the key points shared by the chief guest "**Be a job giver rather than a job seeker.**"

The Chief Guest, Principal, and secretary have handed over the best Final year project awards to the top two project teams in each branch of the 2017-21 Batch.

Ms. Roshini (CSE) and Mr. Ganesh (Mechanical) from the 2017-21 batch thanked the college management for providing wonderful facilities and encouragement during their study.

Mr. Navaneetha Krishnan S U (2014-18 Batch Civil), President, of PSG iTech Alumni Association, delivered the vote of thanks. He thanked all the alumni, parents, faculty, and staff members who were present for the event and made the event a grand success.

The gathering relished a musical treat given by the iTech music band. The principal also thanked the iTech music band guided by Ms. Lakshmi Kalpana Roy, Assistant Professor, CSE, for their extraordinary performance. He appreciated **Dr. Sathyanathan M, Faculty Coordinator, PSG iTech Alumni Association**, for coordinating the alumni activities of all the batches.

The guests, alumnus, parents, and faculties had enjoyed their dinner at the food court.
