**Ms.D.Pricilla, AP/Civil**

PSG Institute of Technology and Applied Research, Coimbatore hosted iTech Expo for school students and the general public on 26th and 27th March 2022 at PSG iTech campus. The event aims to provide visitors with valuable insights into program options, college life and the overall campus ambiance. It gives unique opportunities to the school students to socialize with current students and faculty of the institution. The chief guest of the function was Dr.G.S.Sameeran I.A.S, District Collector, Coimbatore District. At the expo, events like a treasure hunt, quiz competition, management games, project displays, and interactive seminars were organised for the school students.

Totally 3500 students from various schools in and around Coimbatore have registered for the expo, out of which 3000 students and parents have visited the campus in two days. As a part of “Coffee with collector”, Dr.G.S.Sameeran I.A.S interacted with the government school students from the Anaimalai block. In his interaction, he insisted on the hard work and dedication towards attaining their goals in life. Chief educational officer, Coimbatore, Dr. G Chandramohan, Principal, PSGiTech Dr P V Mohanram, Secretary and all heads of the department were present during the event.

The school students have visited around 31 venues (labs) which include centres of excellence in all departments. The interactive seminars were handled by the Principal, Secretary, heads of various departments and iTech alumni on the titles, Best practices at iTech, Materials in everyday life, Why Engineering?, Recent trends in Communication Engineering, Potentials in Civil Engineering, Technological trends in Electrical Engineering, Computer Science Pioneers, Virtual tour of BMW Factory, Role of Architect in Society and Expectations of Industries.
