Report on Orphanage Visit

As a part of the NSS drive, the NSS club conducted an event on Orphanage visits to children below 10 years on 13th May 2022 at 10:00 AM. More than 25 students from PSG iTech took part in this event. Our college students played games with the orphan children, and the event was conducted successfully. Our students conducted many games with them and the winners were very encouraged with beautiful prizes. Finally, refreshments were provided to everyone, and the event came to an end with great success.
