Our college NSS team conducted guest lecture on Environment Happening Tomorrow on 7th May (Tuesday) 2024, at Civil Seminar hall. The event started with Tamizh Thai Valthu. Dr. P. Chinnaraj, Associate Professor, Maths Department (NSS Co-ordinator) gave an introduction about our guest Mr. Siva, Environmentalist Foundation of India (EFI) Volunteer. He started his lecture with live examples and information about water conservation and also he shared many things which would be helpful to improve our thoughts about environmental awareness. The volunteers, with their commitment and enthusiasm, played a pivotal role in making the event a success. NSS volunteers, The lecture aimed at raising awareness about the lake conservation and necessary steps to be followed to save the water bodies and wildlife. The event served as a valuable learning experience for NSS volunteers, students to gain knowledge. The active participation of NSS volunteers, students and faculty members contributed to the event's success.

. Dr. P. Chinnaraj, Associate Professor, Maths Department (NSS Co-ordinator) presented Memento to the speaker. Finally, the event has ended with vote of thanks by Dr. P. Chinnaraj, Associate Professor, Maths Department (NSS Coordinator). . Dr. P. Chinnaraj, Associate Professor, Maths Department (NSS Co-ordinator).
