Trekking event was conducted by the PSGitech for NCC cadets on 13.04.2022. Trekking was at Salim Ali Centre for Ornithology and Natural History, Anaikatti.

The trekking started at 1000 hours. All NCC cadets assemble at the main gate of the college and leave the place by bus. After reaching the place, an introductory lecture was given by Ms Sowmiya. Later that refreshment was provided by the center. After the break, a guest lecture was given by Dr.P.Pramod about Birdwatching and its importance. After the lecture, the cadets were split into two teams and taken for the trek in the Anakatti forest area. During the trek, feedback and points were given by Miss Sowmiya about bird watching, animals, and nature.

After the trek was over, lunch was provided and later a lecture was given by Miss Sowmiya about various species of bird, their features, habitat, and living environment. In the end, feedback was given by the cadets and staff.
