Event title	Embedded Systems and IOT Design Project Expo 2024 (Batch 2021-25)
Event Category	Project Expo
Date and Duration	03.05.2024
Department	ECE
Co-ordinators	Dr G Santhanamari, ASP - ECE Dr D Selvakumar, ASP - ECE Mr M.Deepa, AP(Sl) - ECE Mr R Rajaraja, AP(Sr) - ECE
Chief Guest/ Resource Person/ Keynote Speaker	Ms. Sangeetha Aadhirajan, Engineer in Qualcomm India pvt. Ltd and Mr. Sabarees Shanmugam, Cloud Engineer in HPE Aruba Networking
Guest Speaker/ Session Chair	Dr P Vijayakumar, HoD/ECE
No. of Participants	58

The Department of Electronics and Communication Engineering in association with IETE Student Fourm (ISF) and Institution's Innovation Council (IIC) hosted a project expo for the third-year students on May 3rd, 2024. The expo took place in the ECE NI lab from 1:30 pm to 4:30 pm. A total of 12 batches presented their projects at the expo. There was a diversity of projects, and all the students participated enthusiastically.

The event culminated with a prize distribution during which awards were given to the teams that had performed beter than the rest. The first prize went to Sarvesh and his team. The second prize was awarded to Tharun sripal and his team, the third prize was given to Kishore and his team.

This project expo is one of many efforts taken to nurture a culture of innovation among the students. It served to pool together various talents and ideas that could contribute towards development of real-world applications.
