Our institution organized a visit to PSG Institute of Medical Science and Research from September 9th to 13th, 2024, with the purpose of providing basic health checkups for all first-year students of the 2024-2025 academic year. A total of 623 first-year students participated in this significant initiative. PSG IMSR conducted comprehensive health checks for students, including height, weight, blood tests, urinary tests, as well as EYE and ENT evaluations in the forenoon session. Subsequently, in the afternoon session at PSG iTech, doctors from IMSR met with students to discuss their health results and address any concerns they may have. The combined efforts of PSG iTech, PSG IMSR Team, students, and coordinators, including Mr. A Robinson, Physical Director, Mr. Eashwar, Assistant Physical Director, Ms. R. Vaishnavi, Assistant Physical Directress, and Ms. S. Puvaneswari, Student Counsellor, Wellness Centre, led to the success of this event.
