

Event title	Yukta: 2025
Event category	Technical Symposium
Date and Duration	14 <sup>th</sup> & 15 <sup>th</sup> March 2025 (Two Days)
Organizer	Students Council
Coordinator	Dr. R. S. Sankara Subramanian, Faculty Advisor, Students Council
Number of participants	991 (Day 1) & 860 (Day 2)

1. Yukta: 2025, organized by the Students Council, saw an impressive footfall of over 1800 participants who actively engaged in a range of events and activities over two days. With 20+ workshops being conducted, offering participants valuable knowledge across various domains.
2. The event offered abundant opportunities for tech enthusiasts, with 20+ technical events across multiple domains. In addition Yukta also featured 10+ non-technical events catering to diverse interests and talents.
3. The first day kicked off with departments conducting various technical events such as paper presentations, workshops, project exhibitions, and quizzes and ended with captivating performances by the iTech Music and Dance Clubs, keeping the crowd entertained.
4. The second day was highlighted by a spellbinding musical performance from Mr. Nivaas, who kept the audience engaged with his exceptional talent.
5. Each department enhanced the atmosphere with creative and themed decorations, showcasing their distinctive styles. The iTech Broadcast team and NSS volunteers played key roles in coordinating the event smoothly from start to finish.
6. Overall, Yukta: 2025 proved to be a grand success, delighting participants with its variety of experiences and served as a vibrant platform for talent, teamwork, and celebration.
