Event Brochure :

The NSS(National Service Scheme) unit of PSGiTech organized a Seed Ball Making Event on May 15, 2025, at Kalaiarangam between 4:45 PM and 5:00 PM. The event was organised in collaboration with the Environmentalist Foundation of India (EFI). The event witnessed enthusiastic participation from students across various departments, reflecting their dedication and concern for environmental conservation. On behalf of EFI, **Mr.Siva** graced the occasion and encouraged the students to contribute actively towards such green initiatives. He emphasized the importance of seed ball making in reforestation and how small steps can make a big impact on the environment. During the brief yet impactful session, more than 200+ seed balls were prepared by the participants. The success of this event was made possible by the active involvement of the students and the strong support extended by the faculty in-charges DR.P.CHINNARAJ AND DR.D.THANGARAJ.
