Report on Beyond Decibels – Annual Musical Event

Date: 8th November 2025

Time: 2.30 pm to 4.45 pm

Venue: PSG Convention Center

The Music Club of PSG Institute of Technology and Applied Research successfully organized the annual musical event “Beyond Decibels” on 8th November 2025 at the PSG Convention Center.

The event featured a series of impressive performances by students, presented in collaboration with our esteemed alumni. The participants showcased their musical talent across various genres, demonstrating both skill and dedication. Their energetic and well-curated performances captivated the audience throughout the program.

The event received an excellent response from the attendees, making “Beyond Decibels” a memorable and enriching experience for everyone present.
