The NSS Club of PSG Institute of Technology and Applied Research organized a Campus Exploration Programme for 12th-grade government school students on 10.10.2025 from 9:00 a.m. to 2:30 p.m. The event aimed to create awareness about higher education and motivate students to pursue college after school. The Principal addressed the students on the importance of education and the 7.5% quota, followed by Dr. Ramesh, Dean of Administration, who explained cutoff marks and choice filling. NSS volunteers guided the students through various departments, labs, and facilities, making the visit engaging and informative. Refreshments were provided, and the event concluded with a motivational message inspiring students to value education. The teamwork of NSS volunteers and the guidance of Dr. P. Chinnaraj and Mr. Thangaraju ensured the programme's success.
