PSG Institute of Technology and Applied Research (PSG iTech) organised **Career Connect** as part of its career development initiatives for students. The session featured **Mr. Dinesh Kumar Mishra, Director – Human Resources, KLA India**, as the distinguished guest speaker. The programme commenced with **Dr. N. Saravanakumar, Principal, PSG iTech, welcoming the guest with a bouquet.**

Mr. Dinesh Kumar Mishra shared valuable insights into the **current industry landscape, evolving career opportunities, and expectations of recruiters**, with a special focus on preparing students for successful careers. Drawing from his extensive corporate experience, he emphasised the importance of developing a balanced combination of **technical skills, communication abilities, problem-solving skills, and a professional attitude.**

He provided practical guidance on **placement preparation**, covering various aspects of the recruitment process, including aptitude and technical assessments, interview preparation, and effective self-presentation. He also highlighted the importance of **continuous learning, staying updated with industry trends, and developing skills beyond the academic curriculum** to remain competitive in the evolving job market.

The session encouraged students to look beyond placements as merely an opportunity to secure their first job and instead view them as the **beginning of their professional journey**, where continuous learning, adaptability, and a willingness to grow are essential for long-term career success.

The session was followed by an engaging **Question-and-Answer session**, during which Mr. Dinesh Kumar Mishra patiently and elaborately addressed students' queries related to placements, career choices, industry expectations, and professional growth, making the interaction highly informative and impactful.

The programme concluded with **Dr. P. Vijayakumar, Dean – Electrical and Computer Engineering, PSG iTech**, felicitating the distinguished guest speaker, Mr. Dinesh Kumar Mishra, in appreciation of his valuable interaction and guidance to the students.
