

**INAUGURAL CEREMONY OF THE FIRST YEAR UNDERGRADUATE STUDENTS
INDUCTION PROGRAMME 2026-2027 OF PSG iTech**

17.08.2026 (Forenoon)

PSG Institute of Technology and Applied Research, Coimbatore, inaugurated the first-year Undergraduate students induction programme 2026-2027 on 17.08.2026 at PSG Convention Centre, PSG iTech at 8.45 a.m. Dr. N. Saravanakumar, Principal, PSG iTech welcomed the gathering. "He stated that knowledge is incremental and requires consistent learning. To solve complex engineering and industrial problems, as well as master product creation, design efficient processes, and build robust systems, one must adopt the mindset and lifestyle of an engineer. Dr. P.V. Mohanram, Secretary, PSG iTech, delivered the Presidential address he insisted students to ask more questions, move beyond rote memorization, and master fundamental concepts all while striving to become compassionate individuals and responsible citizens. **Shri Hemant Mulwani, Head of Engineering, Caterpillar Inc. India, was the Chief Guest of the inauguration.** The Chief Guest highlighted six important qualities essential for a successful career through an engaging story: Curiosity and Problem-Solving, Focus, Discipline, Teamwork, Ethics, and Happiness. He emphasized that attitude and behaviour are more important than qualifications for achieving success in one's career. The inauguration programme concluded with the Vote of Thanks delivered by Dr. P. Vijayakumar, Dean, Electrical and Computer Engineering, PSG iTech. He reiterated the key points highlighted by the Chief Guest and emphasized that students should understand the importance of attitude and skills, which play a vital role in career growth.

**THE INAUGURAL CEREMONY OF THE FIRST YEAR UNDERGRADUATE
STUDENTS INDUCTION PROGRAMME 2026-2027-PSG iTech**

17.08.2026 (Afternoon)

PSG Institute of Technology and Applied Research (PSG iTech), Coimbatore, inaugurated the First-Year Undergraduate Students' Induction Programme 2026–2027 on 17.08.2026 at 1:30 p.m. at the PSG Convention Centre, PSG iTech. Dr. N. Saravanakumar, Principal, PSG iTech, welcomed the gathering. He stated that knowledge is gained incrementally through consistent learning. To solve complex engineering and industrial problems, create products, design efficient processes, and build robust systems, students must adopt an engineer's mindset and lifestyle. He encouraged students to get involved in projects from the early stages and document all their findings. He emphasized that practical learning enhances knowledge and experience. Dr. P. V. Mohanram, Secretary, PSG iTech, delivered the Presidential Address. He encouraged students to ask more questions, move beyond rote memorization, and develop a strong understanding of fundamental concepts. He also emphasized the importance of becoming compassionate individuals and responsible citizens. **Shri Venkat Ramaseshan, Associate Vice President – HR, LTM India, was the Chief Guest of the inauguration.** In his address, he highlighted the importance of brand image, CGPA, skill-based learning, practical knowledge, and AI fluency in preparing students for the job market. He encouraged students to ask questions and be courageous from the beginning of their academic journey. The inauguration programme concluded with the Vote of Thanks, delivered by Dr. G. Latha, Dean and Vice Principal (Women Welfare), PSG iTech. She expressed her gratitude to the Management, Chief Guest, Principal, Secretary, Deans, Heads of Departments, faculty members, staff members, students, and parents for their valuable support and participation.
