ABOUT THE DEPARTMENT

The Department of Physical Education spans an area of 5.2 acres and is located near the hostel premises. It is well equipped with adequate infrastructure for both indoor and outdoor games. The department is headed by a Director of Physical Education, assisted by two Assistant Physical Directors and one Assistant Physical Directress, and a marker as supporting staff.

Every first-year student is required to undergo 40 hours of Physical Education classes. Students are introduced to the fundamentals of health and fitness, along with various conditioning exercises to improve their physical well-being. They are also exposed to different sports based on their interest and proficiency. **Inter- and intra-sports competitions** are conducted annually for first-year students, providing them with opportunities to showcase their talents and enabling the selection of potential players for college teams. Advanced skills and techniques are imparted to players by the department. In addition, student vs. faculty matches are regularly organized by the Physical Education Department.

The Office-bearers are selected based on their contributions to sports at iTech through an interview process. The House Captains are selected through a voting process among members of their respective houses. This encourages them to demonstrate their organizational skills and fosters leadership qualities. The annual record reflects the strength of the teams and their performance in **Anna University, CM Trophy, and CENTIES tournaments**. Students who achieve individual honors at the **AU- Zone, AU- Inter-Zone, District, State, National, CENTIES and All India** levels are recognized and presented with the **Star Sports Person Award** during the Annual Sports Day. In addition, the **Best Outgoing Sports Person awards** are conferred upon graduating students. The Annual Sports Day is coordinated by the Secretaries and Joint Secretaries and is continuously supervised by the Department of Physical Education.
