

## About the Programme

This workshop aims to introduce the basics of energy auditing. Sessions will be handled by Top ranked (AIR 11) BEE certified Energy Auditor with practical experience (19 Energy Audits and 20 M&V studies in industry clusters), industrial expert, component experts and IIT research experienced professionals. The sessions are designed to enlighten the basics of energy auditing, energy & material balance, pumps, compressors along with industry case studies, demo and practical sessions on handling auditing instruments, and the visualization of EnCon (Energy Conservation) activities.

## About the Trainers

## About PSG iTech

PSG Institute of Technology and Applied Research (PSG iTech) has been established in the year 2014 as the 30th Institution under the aegis of PSG & Sons charities. It is an AICTE approved Institution, affiliated to Anna University, Chennai. It is currently offering Programmes in Undergraduate, Post Graduate and Doctorate level. Five UG Programs are accredited by NBA. PSG iTech aims to achieve excellence in education and research, and nurture Engineers with ethics, who will face global challenges to serve industry and society.

## About the Department

Mechanical Engineering is a versatile and evergreen branch of engineering. As the Mechanical Engineering discipline finds application in several fields of technology, the department prepares engineers who can fit in a majority of scenarios. The students undergo practical training which gives them in-depth knowledge and prepares them to meet industry requirements. The department organizes training programs and has industry connect inside the campus.

## Who can apply:

Industry members, Faculty members of engineering colleges, Energy auditor aspirants, UG (pre-final and final years) and PG engineering students

### Registration Fees:

Industry Members: Rs 2000/-  
Faculty Members: Rs 1000/-  
Students: Rs 500/-
