ELOCUTION -TAMIL AND ENGLISH

- Physics and Sustainable Development/ The Role of Mathematics in Problem Solving
- இயற்கை உயிருடன் இருக்கும் வரை/ அறிவியலுக்கு ஆயிரம் கண்கள்

07
MARCH

3:00-4:45pm

Physics Lab

8:30am -4:45pm

Physics Lab

DRAWING

Solar Energy and a Pollution-Free Planet/Sustainable eco-system/
Mathematical Art (Optical illusions, fractal art, impossible constructions, etc)

14
MARCH

1st day
of Yuktaha

PAPER PRESENTATION

Topics- Physics behind modern technology/ The Role of Physics in Advancing Space Exploration /Applications of nanomaterials in Engineering / Revolutionizing Industries Through Chemical Innovations/ Ethical AI and Fairness in Mathematical Algorithm/ Mathematics as the Language of the Universe

17th to
21st
MARCH

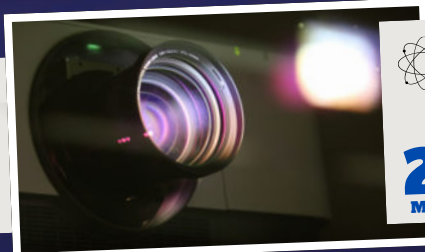

During Library
hours

Physics Lab

1:10-2:00pm

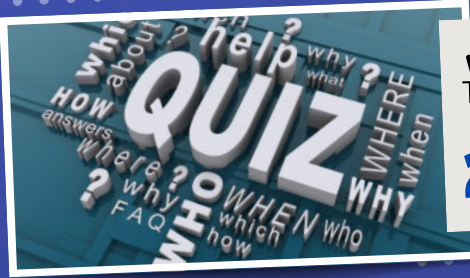

Physics Lab

DISCUSSION ON CONCEPTS
OF SCIENCE IN MOVIES

22
MARCH

Team Events

SCIENCE QUIZ

Round 1: Prelims will be conducted for all the teams at Physics Lab
Round 2: Selected teams will be called for Finals at EEE Seminar Hall

22
MARCH

1:10-2:55pm

Physics Lab & EEE Seminar Hall

1:10-2:55pm

Chemistry Lab

WEALTH FROM WASTE

Innovate, Create, and Rejuvenate!

12
APRIL

FUN EVENTS - SCIENCE

- Dumb charades
- connections
- JAM
- balancing objects

12
APRIL

1:10-2:55pm
