GUEST LECTURE SERIES – PSG iTech

FACULTY DEVELOPMENT PROGRAMME

A thought-provoking session on the future
of education, human well-being and AI.

ON THE TOPIC

BEING WELL VS WELL-BEING – TEACHING, PARENTING & LEARNING IN THE AI ERA

The session will explore how Artificial
Intelligence is transforming education
and how well-being remains central
to teaching, parenting and learning in
today's world.

SPEAKER

Mr. Aditya Nandakumar

Chief of Staff, LMW Group
(Chairman's Office)
Coimbatore

DATE

25 July 2026
(Saturday)

TIME

09:00 am to
12:30 pm

VENUE

Mechanical Engineering
Seminar Hall (E6-102),
PSG iTech, Coimbatore

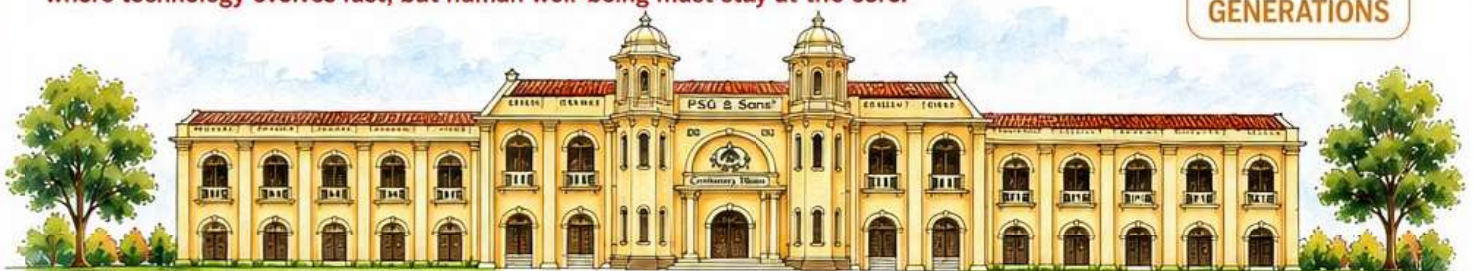

The lecture will be
followed by an
**interactive
Question &
Answer session.**

As part of the PSG Centenary Year celebrations, PSG Institute of Technology and Applied Research (PSG iTech) and PSG Institute of Architecture and Planning (PSG IAP) are organising this Guest Lecture for faculty members.

Let's reflect, reimagine and realign our roles in an AI-driven world—
where technology evolves fast, but human well-being must stay at the core.
