Report on Plastics Cleaning Drive at Anuvavi Subramaniyar Temple and Nature awareness programme at Annaikatti

The Eco-Club of PSG Institute of Technology and Applied Research conducted the plastics cleaning drive at Anuvavi Subramaniyar Temple at Anuvavi on 11.05.22. Students enthusiastically participated in the plastics cleaning drive. After this drive, nature awareness programme was conducted at The Nilgiri Biosphere Nature Park at Annaikatti on the same day where the importance of conservation of nature and values of medicinal trees were explained by Dr. A. Kumaravel, Eco-Club, Co-ordinator. 37 Students participated in the event. We reached the College at 5.00 pm.
